May the Month of Mary

During the month of May, we honour Mary, the mother of Jesus, as a special model of faith, kindness, and love. Throughout the month, students will be invited to join in simple prayers and reflections, encouraging them to follow Mary's example by showing care and compassion to others. We ask families to join us in this special time of prayer and reflection.

First Holy Communion

Our Primary 4 pupils are preparing for the Sacrament of First Holy Communion next weekend. This is a special time as the children learn more about their faith through prayer, reflection, and classroom activities. We keep our pupils and their families in our prayers as they look forward to this important step in their faith journey.
