Leaving for an appointment

We understand that children sometimes need to leave school early for medical or other essential appointments. The guidance below helps keep children safe and ensures learning time is protected.

Punctuality Matters:

Arriving at school on time helps children settle quickly, start learning calmly, and avoid missing important instructions. Thank you for your support in helping every day start positively.

**Inform school office in advance-
phone or call in.**

Child can be collected from the office

Please sign out on ipad at front office.
