December 2019

Dear Parents

December is going to be a very busy month for us here at Nursery! We will be busy learning about the Christmas Story and will perform our nativity story for you on

The children are working so hard to prepare for their show and are beginning to learn their speaking parts. Thank you for helping them with their lines at home. They have been practicing their songs and actions and you will be so proud of them on the day. Make sure the cameras are charged and ready to go!
